

# Appendix K

## Index

- Acne, dermatitis or psoriasis 60, 62, 65
- Activator Technique 78-79
- Acupressure/Meridian Therapy 78-79
- Acupuncture 78
- Adrenal disorders 60, 67
- AIDS-related complex 61, 67
- Allergies 59, 63, 67
- ALS, multiple sclerosis or Parkinson's 60, 64
- Angina or myocardial infarction 60, 65
- American Chiropractic Association (ACA) 5-6, 52
- American Medical Association (AMA) 11-12
- Anemia 60, 63, 66
- Appendicitis, cholecystitis, or pancreatitis 61, 65
- Applied kinesiology 78
- Arterial aneurysm 61, 65
- Articular/joint conditions 62
- Aseptic necrosis or epiphysitis 61, 64
- Associateship 55-56
- Asthma 59, 62, 65
- Atelectasis or pneumothorax 61, 65
- Australia studies 14-15
- Back pain studies 14-17
- Bacterial infection of joint 61, 64
- Bacterial or fungal infection of integument 65
- Bacterial or viral infection; gastrointestinal 62, 66
- Barge Technique 78
- B.E.S.T. Technique 50
- Bedrest 78
- Biofeedback 78
- Blood pressure 59, 62, 65
- Bone tumor 61, 65
- Brain or spinal cord tumor 61, 64
- British studies 15
- Bursitis or synovitis 47, 59, 64
- COPD 62
- Cancer of the marrow or lymphatic system 61, 66
- Cardiovascular conditions 62
- Carpal or tarsal tunnel syndrome 59, 64
- Case history 47, 70-71
- Case management 49, 70, 75-77
- Casting/taping, strapping 78
- Certification 6, 19, 22
- Chickenpox 61, 67
- Chiropractic education 3-6, 47, 52-53
- Chiropractic experience 55
- Chiropractic colleges represented 47, 53
- Chiropractic patients 47-48
- Chiropractic principles, 1-2
- Chiropractic treatment 2-3, 14-18, 48-49, 77-79
- Chiropractic technique 75-76
- Chlamydia 61, 67
- Chronic kidney disease or failure 61, 66
- Colitis or diverticulitis 60, 62, 66
- Commission of Alternative Medicine in Sweden 13
- Concurrent conditions *see Presenting conditions*
- Congenital/developmental anomaly 59;
  - articular/joint 59, 64; skeletal 59, 62, 65;
  - cardiovascular 60, 65; male reproductive 61, 66
- Content analysis 24
- Content-related validity 22
- Corrective exercises 78-79
- Correlation coefficient 37
- Cost-effectiveness of Chiropractic 16-17
- Countries practicing chiropractic 1
- Cox/Flexion-Distracton Technique 78-79
- Cranial nerve disorders 60, 64
- Cranial Technique 78
- Cryotherapy 78
- Delphi Study 24
- Diabetes 60, 63, 67
- Diagnosis 74-75
- Diathermy 78
- Direct Current 78
- Disorder of nose or sense of smell 60, 67
- Disorder of throat or larynx 60, 67
- Distribution of survey 32
- Diversified Technique 47, 78-79
- Draft Survey of Chiropractic Practice 26, 30
- Dysmenorrhea 15
- Ear infections or hearing disorders 60, 63, 67
- Eating disorders 60, 67
- Electrical Stimulation 78
- Emphysema 62
- Endocrine or metabolic disorders 61, 65
- Endocrine tumor 61, 67
- Ethnic origin 47, 52, 56-58
- Extremity subluxation 47, 59, 64
- Eye or vision disorders 60, 63, 67
- Federation of Chiropractic Licensing Boards (FCLB) 7, 25
- Female Reproductive, infertility 60, 63, 66
- Field internship *see Preceptorship*
- Field test 26, 30-31
- Finite population correction term 33, 39
- Florida studies 14, 16
- Fracture 60, 64, 73
- Frequency factor 69
- Full-time chiropractic practitioners 33-34, 36-37, 39, 51
- Gallup polls 17-18
