

## **NBCE Hosts the 17<sup>th</sup> Annual Student Leadership Forum**

**Greeley, CO.** – The National Board of Chiropractic Examiners (NBCE) hosted their annual Student Leadership Forum on January 24 - 25, 2020. Leaders from national student chiropractic associations as well as chiropractic college representatives from across the country met at the Greeley headquarters.

During the two-day forum, students saw presentations from NBCE leadership regarding the importance of valid, fair, and standardized testing to students, colleges, and state boards; development of written exam content; Part IV evidence-informed testing and other innovations; relationships with state boards; the scoring process and analysis; and the cost of standardized testing. Friday ended with an opportunity to hear from students on how to better serve chiropractic candidates across the country.

Saturday's activities included an outreach presentation and a leadership development workshop delivered by Dr. Daniel Côté, President of the NBCE; Dr. Karlos Boghosian, President of the Federation of Chiropractic Licensing Boards; and Dr. Norman Ouzts, Chief Executive Officer of the NBCE.
